FEES									
Initial Fee	NUTM: 0.0	0%	Unit trusts should be considered a medium- to long-term investment. The value of units may go down as well as up. Past performance is not necessarily an indication of future performance. Unit trusts are traded						
Annual Management Fee*	1.15%								
* A portion of NUTM's annual management as a payment for administrative and distribu		atforms like LISP's	at ruling prices and can engage in scrip lending and borrowing. Fluctuations or movements in exchange rates may cause the value of underlying investments to go up or down. Instructions must reach the Management Company before 12pm to ensure same day value. Fund valuations take place at approximately 15h00 each business day and forward pricing is used. 'Performance as calculated by NUTM as at 30 June 2025 for a lump sum investment using Class A NAV prices with income distributions reinvested. Performance figures are quoted after the deduction of all costs incurred within the fund.
